

WEDDING COMPENDIUM

Bendooley
— Estate —

Thoughtfully Curated. Beautifully Celebrated.

Bendooley Estate sits just beyond the historic village of Berrima in the Southern Highlands. Perfectly positioned between Sydney and Canberra, the Estate offers an intimate, idyllic setting for wedding ceremonies and receptions. Across the seasons, the grounds transform beautifully, vibrant and lush in spring, summer and autumn, and strikingly romantic in winter. While weekends are most sought after, we are delighted to host your celebration on any day or evening of the week.

At the heart of the Estate is the iconic Berkelouw Book Barn; Bendooley's signature wedding space and a venue unlike any other. Bordered by shelves of rare and beautiful books, the Book Barn blends rustic charm with timeless grandeur. Soaring ceilings, exposed beams and a beautiful stone fireplace create an atmosphere rich with warmth and character. Couples have access to the stunning European-inspired gardens, the heritage Homestead, and the elegant lakeside pavilion for their ceremony.

For those seeking a contemporary aesthetic framed by panoramic countryside views, The Stables offer an extraordinary setting. This architecturally unique space combines refined detail with the warmth of a classic estate. Flooded with natural light and centred around a dramatic iron fireplace, The Stables is crafted for ceremonies and receptions that feel modern, effortless and enduring. Couples may exchange vows before the grand barn doors, beside the water feature, or overlooking the expansive landscape.

THE BOOK BARN

Rustic yet refined, the historic Book Barn stands as the centrepiece of Bendooley Estate. For weddings, the central bookshelves are seamlessly rolled away, transforming the space into a truly magical venue. Soft pools of light from the iron pendant chandeliers create an inviting glow, while the grand stone fireplace lends warmth and ambience.

The Book Barn features beautifully curated designer furniture and artwork, a generous dance floor, a state-of-the-art sound system and an impressive feature bar. Through the French doors, guests can step onto the stone patio at the Book Barn's entrance; an ideal place to take in sweeping views of the Estate. A cleverly designed indoor/outdoor fireplace anchors this area, making it a perfect setting for pre-dinner drinks and canapés in every season.

Within the Book Barn, your private wedding parlour awaits. With a private garden, it offers an elegant lounge and dressing area complete with ensuite amenities; a serene and luxurious retreat for you to prepare and unwind throughout your day.

THE HOMESTEAD

A short stroll from the Book Barn lies the Estate's Georgian Homestead, built from convict-hewn stone. Draped in Virginia creeper, the veranda creates a beautifully timeless backdrop for ceremonies and wedding photography. In autumn, as the leaves shift through shades of crimson, amber and gold, the Homestead becomes particularly spectacular. The lavender-lined rose garden, tranquil lake, rustic farm outbuildings and expansive manicured lawns provide an abundance of picturesque locations for capturing your day.

Inside the Homestead, you'll find a private wedding parlour; an elegant lounge and dressing area complete with ensuite amenities. This serene space is yours exclusively for the hour prior to your ceremony, offering comfort and privacy as you prepare.

The Homestead is available for Book Barn weddings only.

THE LAKESIDE PAVILION

Adjacent to the Homestead and gardens, the stone-built lakeside pavilion has been thoughtfully designed to embrace simultaneous views of the lake, gardens and surrounding countryside. It serves as a beautiful setting for exchanging vows and is equally well suited to pre-dinner drinks and canapés, supported by its fully equipped kitchen. In the event of inclement weather, the pavilion provides a refined, sheltered alternative, allowing you and your guests to continue enjoying the Estate's sweeping surrounds in comfort.

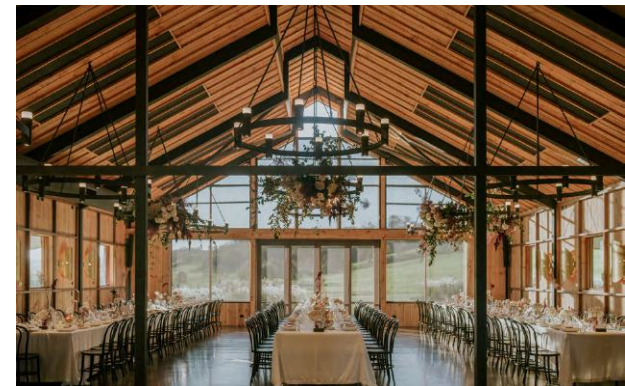

The Lakeside Pavilion is available for Book Barn weddings only.

THE STABLES

Set amongst rural paddocks, with its own entrance and scenic setting, The Stables has been custom-built for those seeking a distinctive and contemporary take on country elegance. One end of the venue is entirely glass, framing sweeping views of the surrounding hills. Inside, a dramatic iron fireplace anchors the space, while modern rustic chandeliers suspended from the cathedral ceiling cast a warm, atmospheric glow. An impressive feature bar and a beautifully appointed wedding parlour complete this extraordinary venue.

For lunch weddings, your ceremony may be held on a nearby hillside, an idyllic setting bathed in soft country light. For afternoon celebrations, the expansive courtyard and surrounding lawns provide a variety of picturesque locations. Choose the tranquil water feature or the striking barn doors as your backdrop. In the event of inclement weather, the refined interiors offer ample space for your ceremony to proceed seamlessly.
