The Menu Collection

Food is about so much more than just eating.

At Bendooley Estate quality produce and beautiful food is a passion. From our Barn kitchens, our dedicated team of chefs enter cooking each day with abandon, just as it should be, to create delicious, fresh and honest food without compromise.

For seated dinners, our Table-Share Menu provides the ultimate country experience. The act of sharing fresh, fabulous food is a fun and lively way for your families and friends to connect and converse across the table.

If you are looking for a slightly more formal event, our elegant Three-Course Dinner Menu offers an equally moreish fare. Both include dishes from the garden, ocean and paddock as well as canapés and desserts.

For less formal stand-up events, we offer a feast of small-plate dining to an extensive selection of tasty and substantial finger-food. Savoury or sweet, our food is a modern take on country cooking with delicious flavour combinations and plenty of choice.

Personalise your special day – perhaps you'd like cocktails and canapés by the lake, or a hamper of scrumptious food delivered to your cottage to sustain you in style.

Our team will assist in creating the perfect menu to suit your personal style and flavour, and ensure that your menu is matched perfectly with wine from our vineyard and beyond.

Your food and wine experience at Bendooley Estate will be as memorable as every other aspect of your special day.
